“Contributing to the community and building new friendships with other musicians has been a rewarding experience. I’m glad to be part of such a talented group!”

“What I like most about MSSL is that the students get to decide what we host, when, and how they are going to be run. Everyone has a job and we work together to make it happen.”

“The variety of performances and programs MSSL offers makes every event unique and interesting. It feels good to bring the joy of music to so many people!”
