## **Closed Live Auditions :**

We will be having closed live auditions for our festival as one of three options we were advised to hold by the central Bach festival.

Here is the description :

Only socially distanced, in person judges, the festival chair and teacher helpers, and one student performer at a time, will be allowed in the room. Subsequent students will wait outside in their cars and be texted to enter the venue at their time.

1. Teacher helper #1 will disinfect pianos/music stands between each student.
2. Students are required to disinfect hands before their performance.
3. Properly worn masks will be required for everyone at all times including the performers.
4. Teacher helper #2 (chair) will let each performer enter the hall at the appropriate time.
5. Teacher helper #3 will be outside the building to check in each performer.
6. Teacher helper #4 will be texting each student who will be waiting in his/her car to come to the entrance of LSM.
7. All participating teachers will need to provide his/her students' mobile numbers. Please double check the numbers and send through a direct email to Agnes Kim (agneskkim3@yahoo.com).

Participating teachers will be required to help out at the festival.  
A job assignment will be provided in the future.

If you have any questions, please email Agnes Kim at  
agneskkim3@yahoo.com

Thank you,  
Agnes Kim, SCJBF SCV Branch Chair
