## **Video Recording Guideline**

1. Video recording should be good quality, but does not need to be professionally produced.
2. Video recordings must be made with one fixed camera angle. The performer's face and hands must be clearly visible throughout the recording. If possible, please include feet in the frame as well.
3. The video must be recorded in one unedited take. Any evidence of multiple takes, or of audio that does not match the performance will result in disqualification.
4. Do not include the name of the performer in the video
